

# Tweedmouth West First School

## Intent, Implementation, Impact – PSHE/RSHE

### *Respect Responsibility Resilience*

Intent	<p>We want our children to develop the knowledge, skills and attributes they need to manage their lives, now and in the future. To be able to form happy, healthy relationships, and recognise the rights and responsibilities that we all have.</p> <p>These skills and attributes will help pupils to stay healthy, safe and prepare them for life and work in modern Britain.</p>
Implementation	<p>Through a variety of activities and experiences, our children will have opportunities to discuss life situations, and reflect on their own understanding. The children will be given the skills necessary to make informed choices. Their opinions will be valued, any misconceptions addressed, and our core values of respect, resilience and responsibility will be reinforced.</p>
Impact	<p>Through our PSHE curriculum, the children will be able to achieve their academic potential, and leave school equipped with the skills they will need throughout later life. They will understand what makes a happy, healthy relationship, and will have aspirations for their future.</p>
