

Weekly Newsletter – 1. Autumn Term 2020

Dear Parents/Carers,

Having listened to the Prime Minister's announcement this week, I am now thinking about the possibility of Covid measures continuing for the next six months. In these extraordinary times, more than ever, we need to take care of each other. We will do all we can here in school to give your children the best education we can whilst taking every possible precaution to keep everyone safe. These measures may at times seem difficult to understand, or just inconvenient. But we all have to do our part to make life as good as it can be.

This week, we are holding our virtual Macmillan Bingo. Our annual Macmillan Coffee Morning is usually such a big event in school, and obviously this year we can't do it in the same way. But, we are really looking forward to our new version, and hope that you can support us.

Take care, and be kind to each other.

Mrs Robertson
