10.9.20

Dear Parents/Carers,

We have now completed our first week back in school, and the children have adapted really well to all our new routines.

I often listen to them singing or counting as they wash their hands, and hear them asking if it is time for their 'bubble' to go out to play. Their resilience makes me very proud!

I understand how difficult it is out on the street at drop off and pick up times, and now the road is being dug up just outside school too! Could I ask you to be very mindful of the road, and keep into the side of the pavement to allow other people to pass. If you are on the other side of the road, please come across to collect your child. We don't want the children going across the road by themselves.

Wearing facemasks has now become a habit for us all. Thankyou for wearing them when you are doing the school run.

Thankyou so much for your patience, it is very much appreciated. The measures we have put in place are for the safety of all of us, and we all need to work together to make the school day run smoothly.

Yours sincerely  
Mrs Robertson
