

Berwick Literary Festival 2022

Free Events for Children

Saturday 15 October, Berwick Library, Walkergate

Brita Granström & Jonnie Wild: The Fussy Flamingo
10.00am-11.00am

"I don't like flingo weed," says Baby.
"I'm going to find a family that
eats something delicious."

This highly interactive session will involve both storytelling (with parts for all the children), and Brita drawing live on-screen, allowing children to learn and practise the basic strokes of sketching animals. We will feature two adventures of the Five Flamingos series – The Carnivorous Crocodile and The Fussy Flamingo.

Storytime at the Library

12:00pm-1:00pm

Come along to the library and enjoy a relaxed storytime session with your little ones in our cosy children's area. Discover your new favourite stories, explore the space and listen to a selection of picture books read aloud by one of our librarians.
